

Summer Showcase 2008

An informal culmination of our June classes will take place at Dougherty Arts Center Theater, 1110 Barton Springs Road.

Rehearsals at Dougherty Arts Theater:

Parents are asked to wait in the lobby during rehearsals in order to give students privacy as they get familiar with the stage. You are also welcome to drop off your child and come back to get them after the rehearsal. We will be right next to the new park which is great for walking, running, or just reading a book.

Look below for rehearsal date and time

Saturday Shows at Dougherty Arts Theater:

Please be sure not to arrive earlier than your arrival time. We will have 4 different sets of 180 people coming to shows on Saturday. If you arrive too early then you won't be able to get in, because the theatre will still be full of people from the previous show. We have allowed 15 min. for each show to leave the campus and 15 min. for the next show to arrive. We have done this for many years and it works like clockwork. Arriving just 10 min. prior to the performance allows the children enough time to get settled in without getting bored while they wait for their turn on stage.

All shows will be on July 12—look below for times
